

# Where Do I Go

Anna Blue

Now it's time to say goodbye  
I'm starting out a brand new life  
And I ask myself  
Where do I go from here?  
(Where do I go from here)

I'm scared about a million things  
I don't know what the future brings  
And I ask myself  
Where do I go from here?  
(Where do I go from here)

I'm standing at the crossroads  
Looking for the way  
My life (my life)  
Will never be the same

Where do I go from here?  
Can anybody ease my sorrow?  
I'm afraid because I've got so much to lose  
(I've got so much to lose, yeah)  
Where do I go from here?  
I'm having visions of tomorrow  
But I don't know which path I gotta choose

I'm holding on to here and now  
This life is turning upside down  
And I ask myself  
Where do I go from here?  
(Where do I go from here)

And all the friends I had before  
Will they last forevermore?  
And I ask myself  
Where do I go from here?  
(Where do I go from here)

I'm standing at the crossroads  
Looking for the way  
My life (my life)  
Will never be the same

Where do I go from here?  
Can anybody ease my sorrow  
I'm afraid because I've got so much to lose  
(I've got so much to lose, yeah)  
Where do I go from here?  
I'm having visions of tomorrow  
But I don't know which path I gotta choose

Who are you? Who am I?  
I'm not the girl I used to be  
What is wrong? What is right?  
Guessing what the future holds for me, yeah, yeah  
Everything has changed  
And it feels so strange

(Where do I go from here?)  
(I really don't know...)  
Yeah

Where do I go from here?  
Can anybody ease my sorrow  
I'm afraid because I've got so much to lose  
(I've got so much to lose, yeah)  
Where do I go from here?  
I'm having visions of tomorrow  
But I don't know which path I gotta choose

Oh  
Where do I go?
