

## Suzanne & I

Anna Calvi

Suzanne and I  
Never will we be apart  
Suzanne and I  
Never will we be apart

But we hold, hold, hold it down  
Oh we hold, hold, hold it down

Cause the night calls me  
When the wind, leads, behind the world

But we hold, hold, hold it down  
Oh we hold, hold, hold it down

Cause the night calls for

Suzanne and I

We will rise

We hold, hold, hold it down  
'Cause I never, ever, ever, ever be alone

Suzanne and I
