

Swimming Pool

Anna Calvi

The swimming pool
The swimming pool

Shadows of light
Shadows divide on the earth
Come down to the swimming pool

Waves of desire
Waves of desire on the earth
Come down to the swimming pool

I can be the one
If you can be the one
If you can be the one one
Then I can be the one
I can be the one
If you can be the one
If you can be the one one
Then I can be the one

Shadows of light
Shadows divide on the earth
Come down to the swimming pool
Down we will dive
Down to the night of the earth
Come down to the swimming pool

Shadows of light
Down we will dive
The swimming pool
