

Crazy 4 U

Anna Clendening

Staring at a blank wall
Waiting on a missed call
Wondering why you ended it all
I know I'm not perfect
I guess I wasn't worth it
This bridge like a match
Yeah I burned it

Was it somethin' I said
Was it all in my head
Maybe I'm crazy, maybe you're shady
Maybe you got some girl up in your bed right now, callin' you baby

Am I delusional?
Or was it real?
Am I scared of being in love?
Or how you might not feel?
Am I delusional?
Or was it real?
Tell me how am I supposed to feel?

You got me messed up
Faded
Wishing in the worst way
I played it cool with you
Now there's nothing to say
Cause I pushed you away
That's what crazy girls do
And I'm crazy 4 U
I'm crazy 4 U
I'm crazy 4 U
I'm crazy 4 U
Oh no no

I learned my lesson
Who are you textin'?
Isn't a question I should be messin' with
So why was I stressing it?
The simple fact is, oh
I overreacted, no
I'm not jealous
But, I can not help it
I swear I felt it

Am I delusional?
Or was it real?
Am I scared of being in love?
Or how you might not feel?
Am I delusional?
Or was it real?
Tell me how am I supposed to feel?

You got me messed up
Faded
Wishing in the worst way
I played it cool with you
Now there's nothing to say

Cause I pushed you away
That's what crazy girls do
And I'm crazy 4 U
I'm crazy 4 U
I'm crazy 4 U
I'm crazy 4 U
Oh no no

Boys drive girls crazy
Crazy girls drive boys away
Boys drive girls crazy
Crazy girls drive boys away
Boys drive girls crazy
Crazy girls drive boys away
Boys drive girls crazy
Crazy girls drive boys away

You got me messed up
Faded
Wishing in the worst way
I played it cool with you
Now there's nothing to say
Cause I pushed you away
That's what crazy girls do
And I'm crazy 4 U
I'm crazy 4 U
