

# Invisible

Anna Clendening

Avoiding this disaster  
Seemed impossible  
My heart is beating faster  
Fast as it can go  
'Cause I'm overthinking every word  
That was never said or heard  
Happy ever after?  
I don't think so

I'm in love with someone who doesn't know I exist  
I stare from afar in my hand-broken heart while I play pretend  
I'm in love with someone who doesn't know I exist  
And it's you, yes, it's true, you don't even know it, I can't ever win

Am I invisible?  
Should I let it go? Would you ever know?  
Am I just another crazy laying on the low?  
Am I invisible?  
Will you ever see what you do to me?  
Breaking hearts in the dark so easily  
Am I invisible?

Tangled up and tongue-tied  
What have I become?  
Always got you on my mind  
Got me feeling dumb  
And I'm tripping over my own feet  
And I'm mad you got the best of me  
Falling for you slowly  
From a distance

I'm in love with someone who doesn't know I exist  
I stare from afar in my hand-broken heart while I play pretend  
I'm in love with someone who doesn't know I exist  
And it's you, yes, it's true, you don't even know it, I can't ever win

Am I invisible?  
Should I let it go? Would you ever know?  
Am I just another crazy laying on the low?  
Am I invisible?  
Will you ever see what you do to me?  
Breaking hearts in the dark so easily  
Am I invisible?

(Am I invisible?)  
(Am I invisible?)  
I'm in love with someone who doesn't know I exist  
And it's you, yes, it's true, you don't even know it, I can't ever win

Am I invisible?  
Should I let it go? Would you ever know?  
Am I just another crazy laying on the low?  
Am I invisible?  
Will you ever see what you do to me?  
Breaking hearts in the dark so easily  
Am I invisible?
