

Worthless

Anna Clendening

You told me, when you told me, not to write a song about it. But then again I also asked you to be loyal

You were everything that I was ever afraid of,
But against my better judgement I went ahead and fell in love,
You gave me the world,
I gave you my trust,
I invested in you,
You invested in us,
Who would've known you'd hurt me so much.
Because just one night you decided,
That you go ahead and confide in another love,
Undercover, under the sheets.
I'm glad that you told me the truth, but I hate that you said I love you right after you told me
Why do you do what you do
Why do you do what you do

I'm feeling worthless (I'm feeling worthless)
I don't deserve this at all,
I'm feeling worthless (I'm feeling worthless)
Because you decided to fall
Back on your promise of us,
Back on on your promise of trust,
Oh I hate you now so damn much,
I'm feeling worthless (I'm feeling worthless)

Now a days when I look in the mirror,
What I hate couldn't be any clearer,
I don't like what I see, shit, I don't like me,
You used to like me a lot,
Until that one night that you forgot,
That I-I-I, that I was worth anything.

I'm feeling worthless (I'm feeling worthless)
I don't deserve this at all,
I'm feeling worthless (I'm feeling worthless)
Because you decided to fall
Back on your promise of us,
Back on on your promise of trust,
Oh I hate you now so damn much,
I'm feeling worthless
I'm feeling worthless

I'm feeling worthless (I'm feeling worthless)
I'm feeling worthless (I'm feeling worthless)
I don't deserve this (I don't deserve this)
I don't deserve this (I don't deserve this)
I'm feeling worthless (I'm feeling worthless)
I'm feeling worthless (I'm feeling worthless)...
