

Be Alright

Anna Graceman

So much wondering, it's uncertain
We don't know just how it ends
Through the struggle and all this searching
We will find ourselves again

We'll walk this road
Until we're home

Yeah, we'll be alright
Oh, we'll be alright
And I won't let you fall, I'll be right by your side
Yeah, just keep holding on, it'll all be alright

We might hesitate, we might bend and break
But we won't let it clip our wings
Every step we take brings us closer
To where we know we're meant to be

Yeah, we'll be alright
Oh, we'll be alright
And I won't let you fall, I'll be right by your side
Yeah just keep holding on, it'll all be alright
We'll be alright, we'll be alright
We'll be alright, yeah, you and I
And I won't let you fall, I'll be right by your side
Yeah, just keep holding on, it'll all be alright

We'll be alright, we'll be alright
We'll be alright, yeah, you and I
We'll be alright, we'll be alright
We'll be alright, yeah, you and I

Yeah, we'll be alright
Oh, we'll be alright
And I won't let you fall, I'll be right by your side
Yeah, just keep holding on, it'll all be alright
We'll be alright, we'll be alright
We'll be alright, yeah, you and I
And I won't let you fall, I'll be right by your side
Yeah, just keep holding on, it'll all be alright
