

Belive

Anna Graceman

Do you remember the fun that we had, long ago? Ooooo
I held your hand in mine, O-A-O
Believe, you said
Believe
Believe
We walked down the street you and me Ooooo
We went to stairs and you sat beside me
Believe, you said
Believe
Believe, you said, in me
Those days are over, you don't believe
I'm giving up on you, oh yes it's true
Believe, Believe
Believe, I say
Believe
Believe
You and me we're switching sides,
I believe and you just hide!
I leave to stay when I go and I'll say, I'll say yeah
Believe
Believe
Believe, I say
Believe
Believe, I say, in me
