

Dressed In Blue

Anna Graceman

I turn off my light
Exit my room
Then I see you with someone with new
She is beautiful all dressed in blue and blue eyes too
I didn't know what to do, so I walked over to you
And asked you what you doing?
I got no answer, so I walked away in pain
Walked away in pain

I turned off my lights
Went out my room
Then I see you with the same girl I saw you with yesterday
When I poke my head to say
She ran over and hugged you tight
I couldn't believe my eyes so I turned around and cried
I couldn't believe my eyes so I turned around and cried

I turn off my light
Exit my room
Then I see you with someone with new
She is beautiful but I knew
Love would happen to you
Again and again and again and again and again and again and aga
in and again and again
And again
