

# Easily Distracted

Anna Graceman

I don't know where I am from  
But I've been on the run  
Where I've gone helps you know me  
Don't ask which places I have been  
I've been to all of them  
And in each one you'll learn my story

All I say  
Is I gotta get away  
I can't stay  
Maybe I'll come back someday  
Coast is clear  
I'm getting out of here  
Disappear  
Already gone my dear

I guess that I'm just easily distracted  
Apologize for the way that I've been acting  
Place to place  
Person to person  
Don't know what it is that I am searching for  
All I know is I'm easily distracted  
I'm easily distracted

Please know that I leave with the sun  
I'm impatient and I'm young  
I'm here then gone with the breeze  
Realize I'm only passing through  
It's nothing against you  
That's just what it means to be free

All I say

Is I gotta get away  
I can't stay  
Maybe I'll come back someday  
Coast is clear  
I'm getting out of here  
Disappear  
Already gone my dear

I guess that I'm just easily distracted  
Apologize for the way that I've been acting  
Place to place  
Person to person  
Don't know what it is that I am searching for  
All I know is I'm easily distracted  
I'm easily distracted

And leaving hurts more than I remember  
I'm sorry to have left things in such a mess  
And I hate to sound so self centered  
But I promise this is for the best

I guess that I'm just easily distracted  
I apologize for the way that I've been acting  
Place to place

Person to person  
Don't know what it is that I am searching for  
All I know is I'm easily distracted  
I'm easily distracted  
I'm easily distracted
