

Get Together

Anna Graceman

Let's get together
There's not been better
Let's get together

It's been a while, it's been a minute
Been missing my life without you in it
You make me smile, you got me grinning
Oh yeah, I'm laughing for no reason

Get the party started, it's a brand new day
Here to celebrate
It's been a while, it's been a minute
Been missing my life without you in it

You and me
It doesn't get much better

Oh, oh oh oh, oh oh
Let's get together
Oh, oh oh oh, oh oh
Let's get together
Rain or shine
It's goodbye forever bad weather
Oh, oh oh oh, oh oh
Let's get together

Let's get together
There's not been better
Let's get together

In the now, in the moment
It's a time and we're gonna own it
Taking off, we're in motion
It's electric anywhere we're going

You and me
It doesn't get much better

Oh, oh oh oh, oh oh
Let's get together
Oh, oh oh oh, oh oh
Let's get together
Rain or shine
It's goodbye forever bad weather
Oh, oh oh oh, oh oh
Let's get together

Let's get together
There's not been better
Let's get together

Oh, oh oh oh, oh oh
Let's get together
Oh, oh oh oh, oh oh
Let's get together
Rain or shine
It's goodbye forever bad weather

Oh, oh oh oh, oh oh
Let's get together

Let's get together
There's not been better
Let's get together
