

Mind Games

Anna Graceman

Your voice is always in my head
Saying words I can't forget
And it seems I've lost myself
In all the lies that you would sell

The ups and downs are so confusing
No matter what, feels like I'm losing
Spinning till I don't know what to think
First, we're laughing, next, I'm crying
And it's all good until we're fighting
When things go wrong you blame it all on me

Am I going insane
From you playing these mind games?
You got me feeling crazy
Guess I am for thinking I could change ya
You wear a mask and play a part
But I know who you really are
I know who you really are
You're hiding in the dark, oh
Think I'm going insane
From you playing these mind games

Oh, oh-oh-oh
Oh, oh, oh-oh-oh
Oh-oh-oh, oh

Feels like I'm caught in between
Who you are and what they see
You lift me up to break me down
Till I'm in pieces on the ground

The ups and downs are so confusing
No matter what, feels like I'm losing
Spinning till I don't know what to think

Am I going insane
From you playing these mind games?
You got me feeling crazy
Guess I am for thinking I could change ya
You wear a mask and play a part
But I know who you really are
I know who you really are
You're hiding in the dark, oh
Think I'm going insane
From you playing these mind games

Oh, oh-oh-oh
Oh, oh, oh-oh-oh
Oh-oh-oh, oh

You say you love me
But you don't show it
Yeah, if you want me
I wouldn't know it
You say you love me
But you don't show it

Hey, if you want me
I wouldn't know it

Am I going insane
From you playing these mind games?
You got me feeling crazy
Guess I am for thinking I could change ya
You wear a mask and play a part
But I know who you really are
I know who you really are
You're hiding in the dark, oh
Think I'm going insane
From you playing these mind games
