

# Silly Dreamer

Anna Graceman

Silly dreamer you're no dreamer  
Just a world of your imagination  
You tell stories and I like them  
But I can't see what you want to see  
Life is different and your commitment  
It's hard to grant your wish  
And my sorrows seem so far  
Ohhhh.  
You can't leave me here,  
Me here, me here, ohhh yahhh

Silly dreamer you walk away  
And say it's ok. Go home!

Silly dreamer, silly dreamer,  
Silly dreamer silly dreamer

Say everything is alright  
And I know you are but am I?  
You dream of the sun, you dream  
Of the moon, you even dream of the bigger blue  
If I am not in the picture I'm sad

Silly dreamer  
You're no dreamer  
Just a world of your imagination  
Silly dreamer, silly dreamer
