

Storm

Anna Graceman

I feel the storm getting closer
Feel the clouds getting darker
I feel the storm getting closer
I feel wind getting stronger

I don't know if it's you
I don't know if it's me
Wanting to believe

All the flames will be burnt out
From the rain falling down
No one will be safe
Cause a storm's coming

As my emotions start to crash
As my heart it turns to ash
I'm hoping it won't last
Don't look back on the past

I don't know if it's you
I don't know if it's me
Wanting to believe

All the flames will be burnt out
From the rain falling down
No one will be safe
Cause a storm's coming

So, lock your door shut and stay inside
Don't come out until you see sunshine
No one will be safe, no no one will be safe
No one will be safe cause the storm's coming

All the flames will be burnt out
From the rain falling down
No one will be safe
No no one will be safe
No one will be safe
No no one will be safe cause the storm's coming
