

Subtle

Anna Graceman

I, know, I'm [?] and
I, don't, want to look subtle
But I have something I gotta say
You should know that I want you to stay
Don't want you to be the one that got away

Should these words be put delicately
Or should I just be

I don't wanna be subtle
I wanna be bold
Don't want you to wonder
I want you to know
I don't wanna be subtle
I wanna be close
Don't want you to wonder
I want you to know
I don't wanna be subtle

Oh, oh
Oh, oh
I don't wanna be
Subtle

I, know, I'm on [?] take and
I, know, you don't understand it
But I have something I gotta do
Gonna jump like there's nothing to lose
I already know that I'll fall for you

Should these words be put delicately
Or should I just be

I don't wanna be subtle
I wanna be bold
Don't want you to wonder
I want you to know
I don't wanna be subtle
I wanna be close
Don't want you to wonder
I want you to know
I don't wanna be subtle

Oh, oh, oh
I don't wanna be
Subtle

Oh, oh, oh
I don't wanna be
Subtle
