

# Warrior

Anna Graceman

Ooh, ooh, ooh

Speak up, don't let the fear try to steal your voice  
Stand up, don't let em' keep you down  
It's tough, to try and break through all the noise  
But it's time now, it's time to let it out

Ooh, ooh

Oh, in the heat of the battle, yeah, you know I'm not giving up  
Cause' I fight for what matters, yeah, you know that I fight fo  
r love  
Not afraid of the fire, or the flame, oh, I'll rise above  
Cause I am a warrior

Ooh, ooh, ooh  
I am a warrior

You've got, all that you need to make a change  
Don't stop, the force inside yourself  
It's dark, we need to break right through the cage  
And it's time now, it's time to let it out

Oh, in the heat of the battle, yeah, you know I'm not giving up  
Cause' I fight for what matters, yeah, you know that I fight fo  
r love  
Not afraid of the fire, or the flame, oh, I'll rise above  
Cause I am a warrior

Ooh, ooh, ooh  
I am a warrior  
Ooh, ooh, ooh  
I am a warrior

Ohh, yeah, no no no no  
Ohh...

Oh, in the heat of the battle, yeah, you know I'm not giving up  
Cause' I fight for what matters, yeah, you know that I fight fo  
r love  
Not afraid of the fire, or the flame, oh, I'll rise above  
Cause I am a warrior

Ooh, ooh, ooh  
I am a warrior  
Ooh, ooh, ooh  
I am a warrior
