

Wave

Anna Graceman

And I'm caught in the moment
And it's so hard to breathe
All the pieces I'm holding
Yeah they're too much to keep

So I'm letting go
I'mma let it ebb and flow
So I'm letting go

I am a wave
I'mma keep on rolling
Through all the change
I'mma keep on going
I am a wave

Going through all the motions
It's too blurry to see
But the door's finally open
Oh I'mma let myself be free

So I'm letting go
I'mma let it ebb and flow
So I'm letting go

I am a wave
I'mma keep on rolling
Through all the change
I'mma keep on going
Oh I'm going through it all
Every high and every fall
Oh and even if I break
I am a wave

Hey, hey, hey
Hey, hey, hey

I am a wave
I'mma keep on rolling
Through all the change
I'mma keep on going
Oh I'm going through it all
Every high and every fall
Oh and even if I break
I am a wave
I am a wave
I am a wave
