

# You're Not Alone

Anna Graceman

I see you, see the pain that's  
Underneath your skin, I know you hold it in  
I hear you, hear you when  
Nobody's listening, oh I'm listening

All of your hurt  
Misunderstood, oh-oh  
And so overlooked  
I feel it too  
Lost in the dark, oh-oh  
Yeah, it breaks my heart

Oh, you're not alone  
We walk different roads  
But I get the feeling  
You and I, we're not that different  
Oh, it's just how it goes  
These highs and these lows  
But I get the feeling  
You and I, we're not that different

It takes time, to find the strength you need  
To cut the ropes, and to find your hope  
Look inside, let it out and let  
The light shine through, there's a fire in you

All of your hurt  
Misunderstood, oh-oh  
And so overlooked  
I feel it too  
Lost in the dark, oh-oh  
Yeah, it breaks my heart

Oh, you're not alone  
We walk different roads  
But I get the feeling  
You and I, we're not that different  
Oh, it's just how it goes  
These highs and these lows  
But I get the feeling  
You and I, we're not that different

You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone  
You're not alone

Oh, you're not alone  
We walk different roads  
But I get the feeling  
You and I, we're not that different  
Oh, it's just how it goes  
These highs and these lows  
But I get the feeling  
You and I, we're not that different
