

# Still I Wait

Anna Leone

Watch me wait  
Wait for time  
I stopped moving when I fell behind  
Watch me stand in the shade  
While I crave the light

Oh, how I cling to home  
When will I bare my soul  
Oh, when will I love someone  
I thought I knew the rules  
I thought I knew what I had to do

Wash away tears in rain  
All my sorrows they remain the same  
I still ask them to stay  
As the days unwind

Oh, how I cling to home  
When will I bare my soul  
Oh, when will I love someone  
I thought I knew the rules  
I thought I knew what I had to do

In this eager fantasy  
Everything I think I need  
All the things I've yet to see

Oh, how I cling to home  
When will I bare my soul  
Oh, when will I love someone  
I thought I knew the rules  
I thought I knew what I had to do
