

# Alright

Anna Naklab

Sometimes nothing is harder than awaking  
In the smoke can't recognize the good things  
Once the dust has settled down all over this town  
The brightest stars collide but the world keeps spinning round  
Why can't I

Jump in the water makes me feel alive  
Now I found my peace of mind  
Sun will follow after the darkest night  
I'm gonna be, gonna be alright

(Gonna be alright, gonna be alright)  
Keep on reaching for the light  
(Gonna be alright, gonna be alright)  
Please tell me that it'll be alright

I stand frozen at the point of breaking  
It's the road I've chosen but it feels forsaken  
The time we wasted we can never bring it back  
I'm holding on to all your words, they remind me that

And jump in the water makes me feel alive  
I know that I'm no longer blind  
Sun will follow after the darkest night  
I'm safe and you're by my side

(Gonna be alright, gonna be alright)  
Just keep on reaching for the light  
(Gonna be alright, gonna be alright)  
Please tell me that it'll be  
Alright it'll be  
Alright it'll be  
Alright  
Tell me that it'll be alright  
(Alright it'll be)  
(Alright it'll be)  
(Alright)

Jump in the water makes me feel alive  
Now I found my peace of mind  
Sun will follow after the darkest night  
I'm safe and you're by my side

(Gonna be alright, gonna be alright)  
Just keep on reaching to the light  
(Gonna be alright, gonna be alright)  
Tell me that it'll be alright  
Tell me that it'll be alright  
Please tell me that it'll be alright, alright  
Please tell me that it'll be alright  
Everything will be alright
