

Future Me

Anna Naklab

If the future me went back in time
And told me I was deaf and blind
To let you go, let you go
If the future me could be so kind
Tell me I should change my mind
Never let you go, let you go

It doesn't really matter wouldn't I be better off
I guess I'll never know
Oh no. Regrets. Do. I. Mean it
I don't believe in what I cannot see
So please guide me future me

I'm not sure that it's the right way
I've fallen to my knees and pray
When will I know, will I know
If the past of us won't fade away
Can ever find the strength to stay
When will I know, will I know

It doesn't really matter wouldn't I be better off
I guess I'll never know
Oh no. Regrets. Do. I. Mean it
I don't believe in what I cannot see
So please guide me future me

If the future me went back in time
And told, he is still by my side

Oh no. Regrets. Do. I. Mean it
I don't believe in what I cannot see
So please guide me future me
Oh no. Regrets. Do. I. Mean it
I don't believe in what I cannot see
So please guide me future me
