

Right Here, Right Now

Anna Nalick

A woman on the radio talks about revolution
When it's already passed her by
Bob Dylan didn't have this to sing about
Didn't know it could feel this good to be alive

I was alive and I waited, waited
I was alive and I waited for this

Right here, right now
There is no other place I wanna be
Right here, right now
Watching the world wake up from history

I saw the decade end, when it seemed the world could change
At the blink of an eye
And if anything
Then there's your sign of the times

I was alive and I waited, waited
I was alive and I waited for this

Right here, right now

I was alive and I waited, waited
I was alive and I waited for this

Right here, right now
There is no other place I wanna be
Right here, right now
Watching the world wake up from history

Right here, right now
There is no other place I wanna be
Right here, right now
Watching the world wake up

Right here, right now
There is no other place I wanna be
Right here, right now
Watching the world wake up from history
