

# Shine

Anna Nalick

Oh, the night makes you a star  
And it holds you cold in its arms  
You're the one to whom nobody verses I love you  
Unless you say it first  
So you lie there holding your breath  
And it's strange how soon you forget  
That you're like stars  
They only show up when it's dark  
Cause they don't know their worth

And I think you need  
To stop following misery's lead  
Shine away, shine away, shine away

Isn't it time you got over  
How fragile you are  
We're all wait-  
Waiting on your supernova  
Cause that's who you are  
And you've only begun to shine

There are times when  
The poets and porn stars align and  
You won't know who to believe in  
Well that's a good time to be leavin'  
And the past, it knocks on your door  
And throws stones at your window at 4 in the morning  
Well maybe he thinks it's romantic  
He's crazy but you knew that before

And I think you need  
To stop following misery's lead  
Shine away, shine away, shine away

Isn't it time you got over  
How fragile you are  
We're all wait-  
Waiting on your supernova  
Cause that's who you are  
And you've only begun to shine

Yea you've only begun to shine  
Won't you shine, shine, shine  
Shine over shadow, oh oh  
Shine, shine, shine  
Shine over shadow, oh oh  
Shine, shine, shine, shine over

And I think you need  
To stop following misery's lead  
Shine away, shine away, shine away

Isn't it time you got over  
How fragile you are  
We're all wait-  
Waiting on your supernova  
Cause that's who you are

And you've only begun to shine

Yeah you've only begun to shine

Yeah you've only begun to shine
