

# Walk Away

Anna Nalick

There you are  
Underneath someone else's lucky streak  
Is that the way you like it?  
Is that the way you like it?  
And you believe a picture takes a little piece of you away  
Is that the way you like it?  
Is that the way you like it?

Be wary love, be careful  
It's only skin and therefore  
So breakable but take heart  
It's only a part of who you are

Don't you wonder why everybody cries  
Every time you walk away, walk away, walk away  
Don't you know the sun rising when you come  
Follows when you walk away, walk away, walk away

Don't you walk away, walk away, walk away

You believe that you've been crowned  
With your own private thunder cloud  
Is that the way you like it?  
Is that the way you like it?  
But you don't need remote control to tell you that you're beautiful  
But that's the way you like it  
Is that the way you like it?

Be wary love, be careful  
It's only skin and therefore  
So breakable but take heart  
It's only a part of who you are

Don't you wonder why everybody cries  
Every time you walk away, walk away, walk away  
Don't you know the sun rising when you come  
Follows when you walk away, walk away, walk away

Don't you walk away, walk away, walk away

Didn't anybody tell you  
You don't have to, you don't have to jump  
Only do it if you like  
If you don't like it you don't have to jump  
Just remember what it's like when you walk away

Oh, just remember that we cry when you walk away

Be wary and be careful  
It's only skin and therefore  
So breakable but take heart  
It's only a part of who you are

Don't you wonder why everybody cries  
Every time you walk away, walk away, walk away  
Don't you know the sun rising when you come  
Follows when you walk away, walk away, walk away

Don't you walk away, walk away, walk away

Don't walk away, walk away, walk away.
