

Dandelion

Anna of the North

If you were somethin', I know what you'd be
A dandelion flyin' in the street
The wind will take you somewhere you belong
I can never make you stay for long

But there's one thing now that I just need to know
Just one last thing now before you go

Was I the only one
The only one in love?
Was I the only one
The only one in love?

If you love someone you should set them free
Maybe one day you'll come back to me
And you can tell me all about what you've seen
Dandelion flyin' in the street

But there's one thing now that I just need to know

Was I the only one
The only one in love?
Was I the only one
The only one in love?
Was I the only one (Just a dandelion)
The only one in love? (Fallin' and you're flyin')
Was I the only one (Just a dandelion)
The only one in love? (Was I, was I, was I)

Was I the only one
Just a dandelion, I'm fallin' and you're flyin'
Just a dandelion, was I, was I, was I
Was I the only one
Just a dandelion, I'm fallin' and you're flyin'
Just a dandelion, was I, was I, was I

Was I the only one
The only one in love?
That you were thinkin' of
That you were feelin' for
