

Let Go

Anna of the North

I just wanted to feel, oh
Put my heart on my sleeve, oh
Just to feel something real, oh
I just wanted to feel

Now it's out of control and it grows and grows and grows

Let the feeling go, oh
Let the feeling go, oh
Let the feeling go
Let the feeling go, oh

I swear to you that I tried seeing this from both our sides
See it through your eyes, clear sight, like you do
You do
Tell me what a body needs, how you find your energy
I just wanna live my life like you do
Like you do

Let the feeling go, oh
Let the feeling go, oh
Let the feeling go (I swear to you I tried to see it through your eyes)
Let the feeling go, oh (I swear to you I tried to see it through your eyes)

I just wanted to feel, oh
Put my heart on my sleeve, oh
Just to feel something real, oh
I just wanted to feel

Mmm, I do
Mmm, and I do
Mmm, I do
Mmm

Let the feeling go, oh
Let the feeling go, oh
Let the feeling go (I swear to you I tried to see it through your eyes)
Let the feeling go, oh (I swear to you I tried to see it through your eyes)

I just wanted to feel, oh
Put my heart on my sleeve, oh
Just to feel something real, oh
I just wanted to feel

Mmm
Mmm
Mmm
Mmm
