

No Good Without U

Anna of the North

I thought I always made you
Feel a little good
Tried to understand you
I wish I could
Wish I could
So what are we forgetting (We forgetting)
In our little world? (In our world)
Thought I always gave you (Always give you)
What you deserve
What you deserve

I'm no good without you
I'm no good without you
And I just don't know how
To do it without you
To do it without you
No, I just don't know how

Sweet as candy
You are sweet as candy
Tell me how you do it (How you do it)
Sleep so well at night (Well at night)
'Cause I'm so out of balance (Out of balance)
In my mind
In my mind

I'm no good without you
I'm no good without you
And I just don't know how
To do it without you
To do it without you
No, I just don't know how

Sweet as candy
You are sweet as candy
Driving me insane
Oh, my god
Driving me insane

I'm no good without you
I'm no good without you
And I just don't know how
To do it without you
To do it without you
No, I just don't know how

I'm no good without you
I'm no good without you (No good)
And I just don't know how
To do it without you
To do it without you (Oh, yeah)
No, I just don't know how

Sweet as candy (I'm not good without you, I'm no good without you)
Sweet as candy (And I just don't know how, to do it without you)
Driving me insane (To do it without you)
Oh, my god (No, I just don't know how)

Driving me insane
Sweet as candy (Sweet as candy)
Sweet as candy (Sweet, sweet, sweet)
Driving me insane (Insane)
Oh, my god
Driving me insane (Insane)
