

Since You Got On

Anna of the North

I cannot feel my legs
Since you got on
I hold you in my home
Whenever it's storm

I cannot feel my legs
Since you got on
I hold you in my home
Whenever it's storm

I cannot feel my legs
Since you got on
I hold you in my home
Whenever it's storm

I cannot feel my legs
Since you got on
I hold you in my home
Whenever it's storm
