

Someone Special

Anna of the North

If you wake up without any reason
Late at night and I'm not there
I'll always come back to you as long as I'm breathin'
'Cause you're more, you're more than I deserve

I'll keep knockin' on your door
I'll keep knockin' on your door
You are, you are
You are, you are
You are, you are

You are, you are, you are someone special
You are, you are, you are someone special
You are, you are, you are someone special
You are, you are, you are someone special

If you wake up alone in the morning
Clouds lay heavy on your head
And the rain starts to fall without warning
Don't you know, I'll always be right there?

I'll keep knockin' on your door
I'll keep knockin' on your door
You are, you are
You are, you are
You are, you are

You are, you are, you are someone special
You are, you are, you are someone special
You are, you are, you are someone special
You are, you are, you are someone special

You are, you are
You are, you are, you are, you are
You are, you are...
