

Something Special

Anna of the North

Did you ever write my name
With a fountain pen
In your books or on your desk
Or did you tell your friends
That I was someone special

Did you ever lie awake
The entire night
Glowing in the dark
With no sheets or light
Thinking that
I was someone special

You got me running
Running late at night
Trying to find you
And I started thinking
Thinking all the time
But what could I do

I had something for you
Was there something for me
I had something to give you
But it's a mystery

Did you ever
Change your clothes
Did you hesitate
Walking back and forth
Always being late
Cause I was someone special

Did you ever take a shower
Did you wash your face
Making up the bed thinking
Just in case
That I was someone special

You got me running
Running late at night
Trying to find you
And I started thinking
Thinking all the time
But what could I do

I had something for you
Was there something for me
I had something to give you
But it's a mystery

You got me running
Running late at night
Trying to find you
And I started thinking
Thinking all the time
But what could I do
