

That's Life

Anna Ternheim

That's life, that's what all the people say
You're riding high in April, and you're shot down in May
But I know I'm gonna change that tune
When I'm back on top, again in June

I said that's life, and as funny as it may seem
Some people get their kicks stompin' on a dream
But I don't let it get me down
'cause this fine old world, it keeps spinnin' around

That's life, that's what all the people say
You're riding high in April, and you're shot down in May
But I know I'm gonna change that tune
When I'm back on top, again in June
