

Anarchy in the UK

Anna Tsuchiya

Oh what a name

I am an Antichrist
I am an anarchist
Don't know what I want but
I know how to get it
I wanna destroy the passer by

'Cause I wanna be anarchy!
No dog's body

Anarchy for the UK it's coming sometime and maybe
I give a wrong time stop a traffic line
Your future dream is a shopping scheme
'Cause I - I wanna be anarchy!
In the city

How many ways to get what you want
I use the best I use the rest
I use the enemy I use anarchy

'Cause I wanna be anarchy!
The only way to be!

Is this the MPLA
Or is this the UDA
Or is this the RA
I thought it was the UK or just
A-nother country
A-nother council tenancy

I wanna be anarchy!
An' I wanna be anarchy!

Oh what a name

An' I wanna be an anarchist
Arrh get pissed
Destroy!
