

Shout in the Rain

Anna Tsuchiya

I shout in the rain

chigire ochi abareru amaoto wa
hibiwareta toki wo naderu you ni

kesenai itami ni nukarumi de mogaki tsukare
kobore ochiru hikari ga me ni shimu

my voice, my breath todoketai
my life's like tears tokihanachi
aishiai ikiru osorezu arukitai
I shout in the rain

okizari no kotae terasu you ni
oshiyoseru yami wo uwanuri shite

nagashita namida wo dakuryuu ni sosogikonde
ashita he to inori sakebu dake

I cry, I scream setsuna sa mo
my heart, my dream kanaetai
kurikaesu mayoi tsuyogari mo nagesutete
I shout in the rain

negai wo atsumete

I'm not a survivor, nothing to desire
urotsui tsudzuke
fall into a slumber, don't leave me stranded
koware sou de

I sing for the love kono basho de
my heart, my dream kanau made

my voice, my breat todoketai
my life's like tears uketomeru
aishitai ima subete wo dakitomete
I shout in the rain

I'm not a survivor, believer...
I shout in the rain
fall into a slumber
iku ate mo shirazu
don't leave me stranded
sagashi dasu kotae wo
I shout in the rain
