

Peace

Anna Wise

Oh, we need peace in this world
It's to have a time of peace
A time of life and love with our guidance from above
A time a girl can understand
Be free, oh, in a time of peace

We need peace for our children
So that they may live a better life
What a joy divides
What a perfect state of mind
With all your worries and cares
Left behind

Oh, what a peaceful time
Oh, what a peaceful time
Ooh, what a peaceful time
