

# Some Mistakes

Anna Wise

Taking shots and I can feel it  
See my heart it breaks  
I was blind to  
All the ways you take  
I couldn't wait for you to make the mistake  
Oh, it's too late for

(I knew you were gonna break my heart)

Taking shots and I can feel it  
See my heart it breaks  
I was blind to  
All the ways you take  
I couldn't wait for you to make the mistake  
Oh, it's too late for  
You to make it up when you made it up

I don't mind making some mistakes  
When I know it's all for the best  
(Taking shots and I can feel it)  
I don't mind making some mistakes  
When I know it's all for the best

See my heart it breaks  
I was blind to  
All the ways you take  
I couldn't wait for you to make the mistake  
Oh, it's too late for  
You to make it up when you made it up

I don't mind making some mistakes  
When I know it's all for the best  
I don't mind making some mistakes  
When I know it's all for the best
