

You Make Me Feel

AnnaGrace

Inside out, upside down
There's no doubt
Boy you're driving me crazy

Mystified, hypnotized
Cannot fight
Oh resistance is fading

Come on boy and take my hand
I want you to be my man
No, you don't understand
I'm going crazy

You're playing the staring role
to this my hungry soul
I'm losing my self control
I'm going crazy

You make me feel, so real
You are my obsession
You make me feel, so real
You are my obsession

You make me feel, so real
You are my obsession
You make me feel, so real
You are my obsession

All my vein, down the drain
Can't contain
Boy you're driving me crazy

Soul divine, know my mind
All club night
Oh resistance is fading

Come on boy and take my hand
I want you to be my man
No, you don't understand
I'm going crazy

You're playing the staring role
to this my hungry soul
I'm losing my self control
I'm going crazy

You make me feel, so real
You are my obsession
You make me feel, so real
You are my obsession

You make me feel, so real
You are my obsession
You make me feel, so real
You are my obsession
