

## Cry Baby

Anne-Marie

I know what you did last night  
I called you up and you declined  
I smell perfume, but it ain't mine  
It's not okay, but it's alright

'Cause you telling so many lies, I gotta let you go  
Now you know what it's like to be all alone  
Tell me, how you gonna hurt the one that loves you the most?  
'Cause your tears gon' cry a river, go, let it flow

Don't want no cry baby at my door, I'll let him go  
Boy, I ain't the same girl I was before  
You're only crying 'cause I don't want you back no more  
Boy, you had your chance  
And you can keep on cryin', baby

I know you been lyin', baby  
So you can keep on cryin', baby

I don't know what you're waiting for  
I packed your bags outside the door, uh  
No, I don't wanna sit and talk  
Can you hurry up? I'm bored

'Cause you telling so many lies, I gotta let you go, mm  
Now you know what it's like to be all alone  
Tell me, how you gonna hurt the one that loves you the most?  
Yeah, 'cause your tears gon' cry a river, go, let it flow

Don't want no cry baby at my door, I'll let him go  
Boy, I ain't the same girl I was before (No, I ain't the same)  
You're only crying 'cause I don't want you back no more (I don't want you back)  
Boy, you had your chance (Ha-ha)  
And you can keep on cryin', baby

(Oh-oh)  
I know you been lyin', baby  
(Oh-oh, mm)  
So you can keep on cryin', baby

You can keep on cryin', baby boy  
I know you been  
I know you been lyin', baby  
So you can keep on cryin', baby
