Allegheny Moon

Anne Murray

Allegheny Moon, I need your light To help me find romance tonight So shine ... shine ... shine

Allegheny Moon, your silver beams Can lead the way to golden dreams So shine ... shine ... shine

High among the stars, so bright above The magic of your lamp of love Can make him mine

Allegheny Moon, it's up to you Please see what you can do For me ... and for my one and only love

(Shine ... shine ... shine on tonight) (Shine ... shine ... shine)

High among the stars, so bright above The magic of your lamp of love Can make him mine

Allegheny Moon, it's up to you Please see what you can do For me, and for my one and only love

For me, and for my one and only love

(Shine ... shine ... shine on tonight) (Shine ... shine ... shine on tonight) (Shine ... shine ... shine on tonight) (Shine ... shine ... shine on tonight)
