

Bring Back the Love

Anne Murray

Bri-ing back, bring back the love
That's all we nee-eed, we need more love
Bri-ing back, bring back the love
That's all we nee-eed, we nee-eed more love
Bri-ing back, bring back the love
That's all we nee-eed, we need more love
Bri-ing back, bring back the love
That's all we nee-eed, we nee-eed more love
Ooh-hooh, Listen to the trees
Ooh-hooh, Their down on their knees
Ooh-hooh, You'll hear them cryin' please
Woh-oh-woh-oh, bring back the love
Bri-ing back, bring back the love
That's all we nee-eed, we need more love
Bri-ing back, bring back the love
That's all we nee-eed, we nee-eed more love
We nee-eed more love
Bring back, bring back the love
That's all we nee-eed, we need more love
Bring back, bring back the love
That's all we nee-eed, we nee-eed more love
Ooh-hooh, Why don't you think of your fellow man
Ooh-hooh, Help him if you can
Ooh-hooh, It's time to change our ways
And if we don't we'll all blow away
Bri-ing back, bring back the love
That's all we nee-eed, we need more love
Bri-ing back, bring back the love
That's all we nee-eed, we nee-eed more love
We nee-eed more love
Bring back, bring back the love
That's all we nee-eed, we need more love
Bring back, bring back the love
That's all we nee-eed, we nee-eed more love
Bring back, bring back the love
That's all we nee-eed, we need more love
Bring back, bring back the love
That's all we nee-eed, we nee-eed more love
We nee-eed more love, we nee-eed more love
