

# Everything Old Is New Again

Anne Murray

When trumpets were mellow  
And every gal only had one fellow  
No need to remember when  
'Cause everything old is new again.

Dancin' at church, Long Island jazzy parties  
Waiter bring us some more Bacardi  
We'll order now what they ordered then  
'Cause everything old is new again.

Get out your white suit, your top hat and tails  
Let's go backwards when forward fails  
And movie stars you thought were long dead  
Now framed beside your bed.

Don't throw the past away  
You might need it some rainy day  
Dreams can come true again  
When everything old is new again.

Get out your white suit, your top hat and tails  
Put it on backwards when forward fails  
Leave Greta Garbo alone  
Be a movie star on your own.

And don't throw the past away  
You might need it some rainy day  
Dreams can come true again  
When everything old is new again.

When everything old is new again.
