

For No Reason At All

Anne Murray

Sometimes I almost stop my breathin'
When I think how much I love you
And sometimes I feel like cryin'
For no reason at all

Sometimes I feel that I can't take it
Seeing all that love coming back from your eyes
And sometimes I feel like cryin'
For no reason at all

Sometimes I get a little crazy
I think of you and my head gets hazy
And sometimes I just can't think at all
Ooh baby, I love you

Sometimes when I feel myself reachin' for you
I can't believe you're lyin' there beside me
And sometimes I feel like cryin'
For no reason at all

Sometimes I get a little crazy
I think of you and my head gets hazy
And sometimes I just can't think at all
Ooh baby, I love you

Sometimes when I feel myself reachin' for you
I can't believe you're lyin' there beside me
And sometimes I feel like cryin'
For no reason at all, for no reason at all
