

Gone

Anne Murray

Since you've gone
The moon, the sun, the stars in the sky
Know the reason why I cry
Love divine
Once was mine
Now you've gone

Since you've gone
My heart, my lips, my tear-dimmed eyes
The lonely soul within me cries
I acted smart
Broke your heart
Now you're gone

Now you're gone
Oh, oh, oh, oh

What I'd give for the lifetime I've wasted
The love (oh the love) that I've tasted
I was wrong
Now you've gone

Now you're gone
Oh, oh, oh, oh

What I'd give for the lifetime I've wasted
The love (oh the love) that I've tasted
I was wrong
Now you've gone

(Now you've gone)
Now you've gone
(Now you've gone)
Since you've gone
