Help Me Make It Through The Night

Anne Murray

Take the ribbon from my hair Shake it loose and let it fall Lay it soft against the skin Like the shadows on the wall.

Come and lie down by my side
Till the early morning light
All I'm takin' is your time
Help me make it through the night.

I don't care what's right or wrong And I won't try to understand Let the devil take tomorrow But tonight I need a friend.

Yesterday is dead and gone And tomorrow's out of sight And it's sad to be alone Help me make it through the night.

I don't care what's right or wrong And I won't try to understand Let the devil take tomorrow But tonight I need a friend.

Yesterday is dead and gone And tomorrow's out of sight And it's sad to be alone Help me make it through the night.

I don't wanna be alone Help me make it through the night...
