If I Ever Fall In Love Again

Anne Murray

You, I know you're everything
That I've been looking for
And I, I look into your eyes
And could not ask for more
So it's only fair to lay it on the line
Hold on, I'm gonna need a little time.

But if I ever fall in love again
Sometimes when this broken heart can mend
I know it's gonna be with you
You're the one to pull me through
Though I don't know when
If I ever fall in love again.

Scared, I guess I'm scared to fly
It's such a long way down
And yet, if you'd just trust in me
I'm sure, I'd come around
And I know when you're hurt
It's hard to let someone inside
In your arms I feel I'm ready now to try.

So if I ever fall in love again
Sometimes when this broken heart can mend
I know it's gonna be with you
You're the one to pull me through
Though I don't know when
If I ever fall in love again.

I'd be a fool to ever let you go
You're the best thing in my life
When I know I've gotta take it slow.

I know it's gonna be with you
You're the one to pull me through
Though I don't know when
If I ever fall in love again...
