

# Love You Out Of Your Mind

Anne Murray

I can't stand this feeling when you turn and look my way  
Make my day then look away for someone better  
And if I could I'd show you how it feels to be insane  
I'd break your heart and put it back together  
I would

Love you out of your mind  
Love you out of your mind  
I would take you up to the top  
Make you start all over

Love you out of your mind  
Drag you down to that fine line  
Never stop until I love you  
Out of your mind

Can't stand to leave but I know you can't stand to be alone  
Look me in the eye and tell me you don't want me  
Let me hold your hand and touch your heart and take you home  
I will show you just what happens when you touch me

Love you out of your mind  
Love you out of your mind  
I would take you up to the top  
Make you start all over

Love you out of your mind  
Drag you down to that fine line  
Never stop until I love you  
Out of your mind

Break your heart and put it back together  
I would

Love you out of your mind  
Love you out of your mind  
I would take you up to the top  
Make you start all over

Love you out of your mind  
Drag you down to that fine line  
Never stop until I love you  
Out of your mind
