## Sing High, Sing Low

## Anne Murray

Got a feeling in my heart That it's time for us to start To sing, sing together again

We can sing high We can sing low It's all the same, you know Sing it high and sing it Sing it low

Got a feling in my soul We can sing a song That we all know So come now Let's sing together again

We can sing high We can sing low It's all the same, you know

It's your lucky day now It's your day It's your lucky day now It's your day

When you think straight Straight, clean and simple And no matter what you may do It's all coming right back to you

Yes, it is, yes, it is Yes, it is, yes, it is Yes, it is, yes, it is Yes, it is, yes, it is

Got a feeling in my heart That it's time for us to start To sing, sing together again

We can sing high We can sing low It's all the same, you know Sing it high and sing it Sing it low

Sing it high and sing it Sing it low, yeah

Sing it high, high, high Sing it low

Sing it high, sing it high Sing it high, sing it low
