

# What About Me

Anne Murray

Hey, hey, hey, what about me?  
I've got some feelings on my mind, too  
Hey, hey, hey, what about me?  
I'd like to have a song to sing, too

Please let me in when you're singin' your song  
And I'll just sit quiet, I won't try to sing along  
You've got the warmest place that I've ever found  
Please let me in and I won't make a sound

Hey, hey, hey, what about me?  
I've got some feelings on my mind, too  
Hey, hey, hey, what about me?  
I'd like to have a song to sing, too

But don't you ask me to give you a song  
I won't know the words to use, I won't know where they belong  
But if you give me one of yours I will make it my own  
And it would be the sweetest song that I have ever known

Hey, hey, hey, what about me?  
I've got some feelings on my mind, too  
Hey, hey, hey, what about me?  
I'd like to have a song to sing, too  
I'd like to have a song to sing, too
