

That's What We Need

Anne Wilson

Tell me are you feelin'
The heaviness I'm feelin'
'Cause the space between the word I read
And the world I see feels crazy

Are we being honest
'Cause if I'm being honest
I preach the news
More than gospel truth
And I don't think twice about it

Maybe there's a bigger picture
We've been missing
Something different

Ain't talkin' 'bout a Sunday only
Actin' holy
Easy kinda faith
Ain't talkin' 'bout a barely going
Through the motions
Empty kinda praise
I'm talking 'bout a heart that looks like Jesus
Like His hands, like His feet
There's one Way one Truth one Life that sets us free
That's what we need

Oh, that's what we need

Faith to move the mountains
It ain't about the mountains
It's when the least of these
And the neighbor sees
That we genuinely love them

Maybe there's a bigger purpose
We've been given
Something different

Ain't talkin' 'bout a Sunday only
Actin' holy
Easy kinda faith
Ain't talkin' 'bout a barely going
Through the motions
Empty kinda praise
I'm talking 'bout a heart that looks like Jesus
Like His hands, like His feet
There's one Way one Truth one Life that sets us free
That's what we need

Oh, that's what we need

We need shelter for the orphan
Healing for the broken
Mercy and compassion
We need it
We need grace to be our banner
Love to be the standard

The only thing that matters
We need it

Ain't talkin' 'bout a Sunday only
Actin' holy
Easy kinda faith
Ain't talkin' 'bout a barely going
Through the motions
Empty kinda praise
I'm talking 'bout a heart that looks like Jesus
Like His hands, like His feet
There's one Way one Truth one Life that sets us free
That's what we need

We need it
We need it
That's what we need
We need it
We need it
That's what we need
That's what we need
That's what we need
We need it
That's what we need
