

Should I

Anneth

Pertama berjumpa
Ku tak ada rasa suka
Biasa saja... apa adanya

Waktu demi waktu
Perasaanku meragu
Apakah kamu, merasakan hal yang sama

How you stole my heart
And I wish you're mine
I've never felt this way before
You always on my mind
Tell me what can I do
When I'm truly in love with you

Baru ku sadari
Rasa ini tak berarti
Saat kau beri, hatimu pada dirinya

How you stole my heart
And I wish you're mine
I've never felt this way before
You always on my mind
And I don't wanna let things go

Should I let you know
How I feel inside
This feeling, that I can't be denied
All that I see is you
Tell me what can I do
When I'm truly in love with you
I'm truly in love with you
I'm truly in love with you

How you stole my heart
And I wish you're mine
I've never felt this way before
You always on my mind
And I don't wanna let things go

Should I let you know
How I feel inside
This feeling, that I can't be denied
All that I see is you
Tell me what can I do
When I'm truly in love with you
I'm truly in love with you

I'm truly in love with you
