

Missing a Stranger

Anni B Sweet

Why I believe in somebody I've never known and I've never met?
Why do I feel I'm losing somebody every single day? Mmm... who
can it be? Why do I feel I'm loving somebody that I've ever seen?
Why do I feel I'm waiting for a stranger when I'm off to sleep?
Mmm... is it somebody close to me? Is it somebody close to
me? Is it somebody...?

But remember that the world is a funny place where things don't
matter as much as it seems and in the end, time kills love and
loneliness. So why should we care before time arrives?

Mmm... who can it be? Why do I feel I'm loving somebody I've never
seen? Why do I feel I'm waiting for a stranger when I'm off
to sleep? Mmm... is it somebody close to me? Is it somebody close
to me? Is it somebody...?
